Safeguarding Training – Now Available Online

The Safeguarding Foundation Course is now available online via [MCBX](#), making it easier than ever for church members to complete their safeguarding training.

This flexible option is ideal for those who find it difficult to attend face-to-face sessions, as the course can be completed at your own pace. MCBX (mcb.theologyx.com) is the Methodist Church's online learning platform, providing access to safeguarding training, supporting materials, and a downloadable certificate on completion.

This online course complements, rather than replaces, face-to-face and participatory training, which continue to be an important part of safeguarding learning.

If you need to complete the Safeguarding Foundation Course, please speak to your Church Safeguarding Officer for further guidance.

Pray with us today.

Come, Holy Spirit. Come near to us and bless our prayer. Refresh, renew and fill us that we might receive our calling anew. Teach us patience that we might reflect your patient love as we seek to sing a new song so that in all things we might give glory to God, through Christ and in the power of the Spirit. Encourage us and fill us with hope for the future that with warmed hearts, fresh harmonies and renewed hands and voices we might pour ourselves out in love for others as you have poured out your love for us in Christ. Come, Holy Spirit. Come, Lord, come.

Responding to homelessness

Folkestone Methodist Church and the Folkestone Rainbow Centre have announced a transformational £5 million partnership project that will demolish the existing Methodist Church on Sandgate Road and construct a purpose-built facility integrating year-round homeless services, community programmes and worship space. The new building will provide a permanent home for the Rainbow Centre's expanding work while maintaining the Methodist congregation's spiritual and community mission. West Midland District Pilgrimage Easter Week 5th -10th April 2026

Five days walking in the beautiful Golden Valley
staying in Methodist and Anglican churches.

Suggested donation to kitty: £140pp

For further information and to book email

Roger Dunlop: roger@telfordmeth.org.uk

People linked to the West Midlands District are invited to join a "pilgrim community" of up to 12 people this Easter week on a route in the beautiful Golden Valley in Herefordshire, gathering in Hereford on the evening of Easter Sunday and finishing in Hereford the following Friday. Hereford is accessible by train. During this six-day experience, we will walk, pray and eat together and share sleeping space in a number of Methodist and Anglican Churches. Luggage (including your airbed / camp-bed and bedding) will be transferred each day. Mileage will be around 7 to 11 miles, taken at a gentle pace on rural routes that may include stiles.

We share cooking within the group.

This is now a "tried and tested" formula which has been greatly appreciated by previous pilgrims. Being willing to be part of a short-term community is far more important than being super-fit, providing you can manage a modest amount of walking over a number of consecutive days, followed by nights on a church floor! The pilgrimage will be led by a small team of previous pilgrims.

If means allow, we suggest a contribution of £140 to the kitty to cover food, accommodation and luggage transfer. Unfortunately, the living arrangements mean we cannot include children and young people, though they will be welcome to join us as accompanied day walkers (details later).

Numbers are strictly limited so if you are interested in joining the group this year, please don't delay - contact Roger Dunlop: roger@telfordmeth.org.uk

Covenants and Resolutions for 2026 – Part II

As we walk together into 2026 and renew our covenants with God, let us remember that we witness to His love, and to our love for Him, not just through our words but also through the way we live our lives.

Last week we asked what resolution we might make as a church family as a sign of our commitment to living God's way. Here are some more suggestions:

5) Look after church land so as to encourage and to foster its use by church members and the local community.

<https://ecochurch.arocha.org.uk/wp-content/uploads/2016/01/Land-How-to-Look-After-Your-Land-in-Wildlife-Friendly-Ways.pdf>

6) Choose the most ethical banks for your day-to-day banking and savings with due consideration of the environmental implications.

<https://makemymoneymatter.co.uk/> <https://www.tinyecohomelife.com/most-ethical-savings-accounts>

7) Communicate with other churches in the local community (e.g. through Churches Together groups) to share information and activities relating to climate change and the environment.

<https://ctbi.org.uk/>

8) Work with others in the community who are involved in climate action and environmental initiatives e.g. councils, schools, low carbon and transition town groups, plastic-free and tree planting initiatives.

<https://transitionnetwork.org/>

9) Support international environmental and climate justice programmes e.g. Christian Aid, Tear Fund and Toilet Twinning.

Opportunity to Serve the Telford Circuit as a Circuit Steward

We are inviting expressions of interest from members of the churches in the Circuit to serve as a Circuit Steward from 1 September 2026. Jo Kudlacik reaches the end of her term of office at that time and has indicated her desire to retire from the work.

Please read the which Job Description for a Circuit Steward which you will find in the following page. Recognise that in being appointed you would become part of a team. You would be working alongside others who are experienced Circuit Stewards and so you do not need to come with vast expertise or great experience for the role. You will be joining a supportive and encouraging team who will enable you to find your way into the role.

A Circuit Steward serves for a maximum of six years.

To express an interest in offering to serve the Circuit in this way, or wish to talk about the opportunity, please contact me through the methods indicated at the foot of this message.

Please pray about this and listen out for the call of God inviting you to serve in this way. Sometime God calls us through an email in our inbox!

With best wishes and kindest regards,

The Revd Dr Adrian Burdon

I choose to work flexibly and send emails outside normal working hours. Please do not feel under any obligation to respond outside your normal working hours.

Job Description for a Circuit Steward

The circuit stewards are responsible, with the Superintendent and presbyters, deacons and probationers appointed to the Circuit, for the spiritual and material well-being of the Circuit, and for upholding and acting upon the decisions of the Circuit Meeting

What does a Circuit Steward do?

Circuit Stewards work as a team and share collective responsibility for leadership. This means that they should exercise a general pastoral care for the ministers (presbyters and deacons) and their families. They should meet with as a Circuit Leadership Team and keep themselves informed of the activities of each local church. Circuit Stewards will be appointed to attend church councils' meetings of allocated churches in the circuit. They will be members of the Circuit Meeting and shall take a lead in the occasional process of invitation of ministers (presbyters and deacons)

A Circuit Steward will be helped to become aware of District and Connexional policies affecting the circuit and its churches. This will enable them to play their part in developing a vision and plans for mission within the circuit, ensuring appropriate consultation.

What kind of person becomes a Circuit Steward?

A Circuit Steward is a member of a local church who senses a calling and has a commitment to serve the wider Circuit. They will be willing to be supportive and affirming of others. A Circuit Stewards will need to have personal credibility, be confident, committed, and willing to work in a voluntary capacity. They will be willing to work in a team and bring a contribution to the collective work. A Circuit Steward needs to be confident in engaging with the needs of the Circuit, being an agent of change where necessary. They do not need to have all the answers, or to be an expert, but they do need to be willing to learn and develop and to have a sense of when and where to ask for further help.

What Support will I be given in becoming a Circuit Steward?

The Methodist Church is committed to supporting all those who give their time in important roles within our churches and circuits. The Connexional Learning Team offers initial training and continuous support for those who serve as Circuit Stewards. A Circuit Stewards' Handbook has been produced which outlines the various tasks and skills required in the role.

You can read more about being a Circuit Steward on the Methodist Church Website at

<https://www.methodist.org.uk/for-churches/equipping-circuits/offices-and-roles/circuit-stewards/>

How do I indicate my interest in becoming a Circuit Steward?

We are thrilled that you are asking that question and invite you to make contact with the Superintendent Minister at adrian.burdon@btinternet.com or on 07485 035673. There is a requirement for us to follow our Connexional safer recruitment policies and so we shall need some information from you and you will need to have an up-to-date DBS disclosure. Once you have expressed your interest, your name will be taken to the Circuit Meeting for appointment. We are looking for a Circuit Steward to join the Circuit Leadership Tea, from 1 September 2026. If appointed ahead of that time, the chosen person can have a transition period, running alongside the outgoing Circuit Steward.

Don't sit at home feeling cold and hungry.

Come and join us at the **Dawley Christian Centre**.
Our Coffee Bar is open between 9-12:30pm from Monday - Thursday as a Warm Space. (We are open Friday mornings as usual for cooked breakfasts.)

At Dawley we are making knitted and crocheted blankets for the dementia patients at the Princess Royal Hospital.

The colourful blankets help patients, particularly those with dementia, to find their way back to bed more easily – and also see the edge of the bed more clearly when getting in and out. They also provide a more homely feel to the wards. Thank you.
