Rev Nik has got married... and what a wonderful day it was too!

The marriage between Mark Rogers and our very own Rev Nik Wooller took place on 11th April at Dawley Christian Centre. There was about 130 guests present who came from all across the UK. Nik looked absolutely beautiful in her full length satin purple dress. Her bouquet, which she made herself, was full of purple and white roses which just looked stunning next to her dress. Mark wore a purple suite which complimented Nik's dress perfectly. The seven bridesmaids looked so beautiful! Chloe and Willow-mae were the youngest of the bridesmaids, and Willow-mae who is just 4 years old had the huge responsibility of walking everyone down the aisle, including Nik and her son Joe, who was giving his mum away. He joked there will be no returns as he was passing the responsibility onto Mark. (I had a very proud aunty moment as Chloe is my niece and Willow-Mae is my great niece.) Nik's daughter Hana was the wedding planner and what a fabulous job she did too!

Nik's close friend Rev Den Harding officiated the wedding, which she did with lots of humour. Jo Kudlacik read the reading which was Ecclesiastes 4:9-12. The chosen hymns were Love Divine, All Loves Excelling and Let Love Be Real which everyone sang loud and proud which was just brilliant. The room was full of love and good wishes for the happy couple and indeed each other.

After the service the church hall quickly changed into a dining area where people could enjoy getting together over a lovely cup of tea/coffee whilst catching up. Laughter just filled the church... it was wonderful! Family and friends had worked very hard to put on a lovely yummy spread of cakes and a fabulous buffet which was laid out in the Coffee Bar.

Thankfully the rain (and hail) had stopped so Nik was able to have photos taken in the church garden. Later they cut the amazing wedding cake which was made by our very own Marcelle and decorated by Nik... (She's so clever!)

For those that like to party there was a wedding reception at Dawley Royal British Legion. From what I hear that was a lot of fun too!

The very happy couple are currently enjoying a well deserved honeymoon in Jamacia... more photos will be coming soon...

Please hold Mark and Nik in your prayers as they start this new and very exciting chapter in their lives. May God bless them abundantly, today and always.

Sharon (Hanson)

Rev Nik Rogers posted the following statement the day after the wedding:

"Thankyou to all of you who travelled so far to get to our wedding yesterday, for all of you who helped before during or after. For all your very generous gifts and wonderful cards, we had 76 many signed by lots of you. We had such a wonderful day and feel so loved by you all."

Eco News from the Telford Circuit

"Behold, I will bring to it health and healing, and I will heal them and reveal to them abundance of prosperity and security."
Jeremiah 33: 6

A fraying seam on my daypack had grown into a hole that would definitely let in some Herefordshire rain on pilgrimage... what a good opportunity to visit the repair café run by the Broseley Climate Action group and report back to you on my experience!

I arrived to a hall bustling with a variety of experts: one could sew, one could detect electrical faults and another knew just what to do with bent garden tools. Whilst registering my bag I was offered a free cup of coffee by which time the sewing lady had inspected the hole and explained how she could help me. Friendly locals were keen to chat and share stories while I waited and then before I had even finished my coffee the repair was completed. There was no charge, though I found a small jar for donations on the coffee bar.

If you are serious about reducing waste and have an object in need of a new lease of life, I strongly recommend visiting a repair café near you. They exist all over Shropshire, but coming soon are:

Greetings my fellow lovers of the earth

It's not long now until our next Community of Practice, and the Eco Community team is very much looking forward to welcoming you all. This month we are looking at the colour of money - where can you get some to pay for all the changes you need to make to the fabric of your building? We all know how important it is, and how much of a change it will make, but finding the money in the first instance can be pretty tricky. We hope you can join us on **22 April 7pm**.

If you haven't already signed up, please do take the time to visit the eventbrite page and nab yourself a ticket. It is the nature of the beast that you need to sign up for each event separately. Yes, we know it's a bit of a pain, but what can you do eh? Here's the link: <https://www.eventbrite.co.uk/e/methodist-church-eco-community-network-tickets-1318851994819?aff=oddtcreator>

Please note we will send the zoomlink to you on the day, via email. We find that not everyone can navigate the labyrinth that is eventbrite, and some folks' inboxes just don't like eventbrite anyway. Don't forget to check your spam/junk files on the day just in case your account decides to squirrel the zoomlink somewhere where you won't find it.

We look forward to seeing you very soon.

Every blessing

Earth Day 22nd April

Are you responsible for leading a **Local Arrangement Service in April**? I am developing a service and resources which could be used (as it is or adapted to suit your congregation) as a celebration of God's creation and a recognition of our role as its stewards. It should be ready to send out by 22nd March. Please let me know if you would like me to send you a copy!

Pray with us today.

We pray for people around the world
Oh Bethlehem, house of bread, under your
skies the angels sang their song and in your
humble surroundings the Creator's life on
earth began.

Oh Bethlehem's child, Prince of Peace, fill the
world, we pray, with a hunger for justice that
deep and lasting peace may come to the land
of your birth.

Oh Jerusalem, city of God, Outside these
walls your divine hands were pierced, eternity
held its breath as you were laid to rest in a
borrowed tomb.

Oh Jerusalem, witness to your Resurrection,
we pray that new life may triumph over de-
struction, fear, violence, oppression and
death, and radiate from these streets to the
whole world.

In the name of the incarnate, crucified and ris-
en God, Amen.

Dear Churches Together members

I am writing to invite you and your congregations in all the Churches and meeting houses in Broseley and surrounding area to attend a free local screening of the **People's Emergency Briefing** film on the threats to British life from ongoing damage to nature and to our climate.

Location: The Birchmeadow Centre, Broseley TF12 5LP

Date: Friday 8th May 2026

Time: 7pm

Booking link: <https://www.eventbrite.co.uk/e/the-peoples-emergency-briefing-tickets-1984925347146?aff=oddtcreator>

The film features footage from last November's **National Emergency Briefing**, bringing together leading UK experts in climate science, food security, health, economics, national security and nature.

It presents a calm, evidence-based overview of how the climate and nature crisis is affecting everyday life in Britain - and what the science says about risks and responses.

The initiative is explicitly non-partisan and supported by a wide range of organisations, including the Church of England, National Trust, WWF, the Royal Meteorological Society and many others.

Faith communities have long traditions of stewardship, care for the vulnerable, and intergenerational responsibility. We believe this is an important moment for thoughtful, compassionate local dialogue.

Following the 45-minute film, we will host a structured discussion about what this means for our community.

We would greatly value your presence.

I attach an event poster for your use to print and advertise as you think appropriate.

With best wishes,

Clare Cooper
Broseley Resident and
Broseley Climate Action Group member

More information to follow over the coming months!

Notification of Research Project involving the Telford Methodist Circuit

Dear Friends,

Most of you will know me as a Local Preacher and Local Lay Pastor. Some of you will be aware I have been undertaking some study at the Queen's Foundation in Birmingham. The last component of my current programme of study is a research paper. With the agreement of the Circuit Superintendent, I have decided to put our Circuit at the core of my research. The purpose of this letter is to:

- alert you to the area of Circuit life that I will be exploring,
- set out how I will be doing my research,
- explain how you can get more directly engaged in the research,
- advise you what will happen with the research.

What I am researching

My research considers the phenomenon of Ghanaian Methodists in the Telford Circuit. Building unity is at the heart of my research. The writer of Ephesians encouraged groups from diverse backgrounds to be "built together in the spirit into a dwelling place for God." (Ephesians 2v22) I hope my research will help us to work together to develop a unifying response to our new context. In the Telford Methodist Circuit, the proportion of the community who have a Ghanaian heritage has increased rapidly over a short period of time. I hope this has the potential to be a sign of unity across ethnic identities. In this research I want to explore the robustness of that unity and start a conversation about how we might strengthen it further.

How I will be doing my research

I have been part of the community of the Telford Circuit for over twenty years and so I am what is called an "embedded researcher", and this leads to my choice of method. The data I will use for my research will be my daily journal. Between 1st March and 31st May 2026, I will maintain a dedicated section of my journal, paying special attention to observations, conversations, and behaviours which relate specifically to the phenomenon of Ghanaian Methodists in Telford. I will be particularly alert to points of divergence where I sense differences in "unspoken rules, habits and styles." I will also be interested to note aspects of the community life where there seems to be greater convergence between Ghanaian and non-Ghanaian members.

The only data that will be collected during this research are the notes in my journal and this will be available only to me, my markers and my supervisor. No observations will be attributed unless someone specifically requests it.

How you can be more directly involved (if you want to be)

I think my observations will be richer if they informed by informal conversations with you as members of the Circuit community and I would like to hear many voices from across the Circuit. To avoid any risk of people being involved without their consent these conversations must be initiated by you. I am very interested in your experiences and perspectives, but this must be on a voluntary basis. I am happy to talk to both individuals and groups and am equally interested in talking to people with and without Ghanaian heritage.

The conversations will not be recorded or documented but will inform my journal entries for the days on which they occur. To avoid the risk that you think I am speaking on your behalf, I will be explicitly locating my findings as coming from my point of view as a white, middle-class male who kind of “knows the ropes” in UK Methodism.

For these conversations to be considered as part of my research they must take place between 1st March and 31st May 2026. If you or your group would like to participate then please contact me at john@telfordmeth.org.uk. If you are organising a group session, then it is mandatory that members of the group must have seen this letter in advance and must be given the opportunity to exclude themselves. This applies to everyone but is especially true of young people.

After the research period I will be undertaking reflection and analysis and placing my journal findings in conversation with some wider reading. The final part of my paper will be to suggest what my findings might mean for pastoral practice.

I have committed to the Superintendent that I will provide a summarised version of my findings, analysis and recommendations to them. My hope is that this summary will be a useful conversation starter that will help us move into a process of co-creating a unified future together.

The Superintendent and I are aware that any conversations about defining characteristics have the potential to surface strong and difficult feelings. If this applies to you then the pastoral team in the Circuit will be available to provide support and care.

I look forward to hearing from and learning from you.

Love in Christ

Can you help us raise £6500 by the end of 2026?

Can you provide a plain cotton T Shirt (both for men and woman) to someone in a mental health institution (Pantang Psychiatric Hospital) in Ghana?

The newly inaugurated Sussanah Wesley Mission Auxiliary (SUWMA) within the congregation of Dunwell Methodist Church, Ketley are making their Easter project to provide clothes to the people who are living in Pantang Psychiatric Hospital. They would very much welcome your support. Very often, when families take their loved ones to the institution, they are just left there. They don't get any visitors and there's little hope of them ever leaving. Their families don't provide for them, so it's left to a few people to look after them. And they are struggling.

People taken to the institution include those who have had a breakdown, life in Ghana can be very hard and people struggle to cope.

We can help make their lives more comfortable and respect their dignity by providing clothes. It's very hot in Ghana so cotton T shirts are ideal.

If you can help please pass your T shirts on to a Church Steward and we will arrange a way to collect them. Thank you.

Best sizes to buy/donate would be size 14 and above for woman.

Large for men.

Bright beautiful coloured T shirts would certainly brighten their day!

Any help would be greatly appreciated.

Feel free to add a note too which could be read to our friends in Ghana.

It's a wonderful way to show love to a stranger.

Safeguarding Reminder: Contact Your Church Safeguarding Officer First

Keeping everyone safe in our church community depends on clear communication and following the right channels.

If you have a safeguarding concern, no matter how small or uncertain, your first point of contact should always be your Church Safeguarding Officer (CSO). They are trained to provide guidance, support, and ensure the right steps are taken in line with Circuit safeguarding policy.

If your church does not have a CSO, or if an issue cannot wait, you can contact:

Lauren Baxendale, Circuit Safeguarding Officer

safeguarding@telfordmeth.org.uk | 07904 814741

Stephanie Bradley, Regional Officer for Safeguarding

bradleys@methodistchurch.org.uk | 07817 808557

Reporting concerns promptly to your CSO helps ensure that any issues are monitored, addressed, and escalated as needed.

Thank you for your vigilance and for helping keep our churches safe, welcoming, and supportive for everyone.

Safeguarding – Dates for Your Diaries!

Calling all those in the Circuit who require Safeguarding training, whether it's a refresher or your first time attending the course (it's the same course for both). There are three upcoming courses in the next few months, so book your place early by emailing me, Lauren Baxendale, Circuit Safeguarding Officer, at safeguarding@telfordmeth.org.uk.

Important Information:

- The refresher interval for safeguarding training is **four years**. This ensures that everyone in key roles receives good quality, up-to-date training.
- If you last attended a course in **2022**, it's time to get yourself booked on another!
- If your role requires the **Advanced Module**, you must **first complete** the **Foundation Module** before progressing.

Options for completing the Foundation Module now include an **online module** that can be done at your own pace. Please see the information in the article below for more details on accessing the course.

Which Safeguarding Training Do I Need to Attend?

Please see the following documents on the [Methodist Church website](#) for details on who needs to attend each module:

Safeguarding Training – Now Available Online

The Safeguarding Foundation Course is now available online via [MCBX](#), making it easier than ever for church members to complete their safeguarding training.

This flexible option is ideal for those who find it difficult to attend face-to-face sessions, as the course can be completed at your own pace. MCBX (mcb.theologyx.com) is the Methodist Church's online learning platform, providing access to safeguarding training, supporting materials, and a downloadable certificate on completion.

This online course complements, rather than replaces, face-to-face and participatory training, which continue to be an important part of safeguarding learning.

If you need to complete the Safeguarding Foundation Course, please speak to your Church Safeguarding Officer for further guidance.

New Safeguarding Reporting Form

Safeguarding is everyone’s responsibility, and clear communication is key to keeping our community in the Telford Methodist Circuit safe and supported.

A new **Safeguarding Reporting Form** is now in use across the Circuit. Copies have already been shared with your **Church Safeguarding Officers (CSOs)** and should shortly be **appearing on the Circuit website and your church safeguarding noticeboards**.

If you don’t see a copy, or if you have a safeguarding concern, please notify your **designated CSO** as soon as possible. If your church does not have a CSO appointed, you can contact:

Lauren Baxendale, Circuit Safeguarding Officer safeguarding@telfordmeth.org.uk | 07904 814741

Stephanie Bradley, Regional Officer for Safeguarding bradleys@methodistchurch.org.uk | 07817 808557

By reporting concerns promptly using the new safeguarding reporting form, you help ensure that issues are recorded appropriately, responded to quickly, and escalated where necessary.

Thank you for helping us maintain safe and welcoming places for all.
