Opportunity to help with Lawley Christmas Activities

You are invited to help out at two events in Lawley over the next two weeks.

On **Saturday 5th December** the Methodist Circuit has been invited to do the refreshments at the **Lawley Community Christmas Fayre**. This is a great opportunity for the Church to become better known in Lawley. The materials for the refreshments have been donated and so all we need to provide is the labour. We have been asked to set a nominal charge and invited to "keep" the proceeds. We have decided to donate any money raised to Christian Aid. The Fayre runs from 2pm to 5pm and is indoors at Lawley Primary School. If you would like to help for some or all of the afternoon please contact John at john@telfordmeth.org.uk.

On **Saturday 12th December** we are putting on the **Lawley Lantern Parade.** This is a community event which is put on by the Methodist Circuit, working in partnership with the Central Telford Parish. The event seeks to help people engage with the wonder of the Christmas story through music, light, and community participation. This year the event will involve a short walk (0.5 miles) with carol singing and lanterns leading to refreshments, crafts, and a pop-up nativity at Saint John's Parish Church, Lawley. The event starts at 4pm and finishes at 6pm. If you would like to help with crafts or refreshments please contact John at john@telfordmeth.org.uk. You would also be very welcome if you would like to come and join in and sing carols. The parade starts at Smallhill Park (Crescent Road, Lawley) at 4pm.

Looking for a more meaningful gift to give this Christmas?

Have you considered donating to our International Project, in support of the Osedzi Ajumako Primary School?

Across the Telford Circuit we are working together to provide a dining area for the pupils at this Methodist school in the Central District of Ghana...

...and to give their classrooms and offices a new coat of paint.

Can you help?

Donations from churches or individuals can be sent to Sharon with the reference 'Circuit International Project'

Examples of what your gift could provide:

£70 will buy 100 building blocks (700 are needed)

£150 will cover the cost of the sand needed for the project

£340 will pay for the gravel OR cement needed for the project

£75 is the total cost of the nails needed

£80 will pay for a roofing sheet (four are needed in total)

£40 will pay paint for the inside of one classroom.

Together, we can make a difference this Christmas.

A lovely photo of Willow-Mae and WW Veteran Kingsley (aka Banana Man as he always has a banana to give to her) taken at the Remembrance Parade in Dawley on Sunday on 8th November.

The children who came to church at Dawley Christan Centre yesterday had a lovely time at church yesterday. The children made their own lanterns showing that Jesus is the light of the world.

Pray with us today.

As the rising of the sun announces a new day, may your mercy and peace give us the strength we need for this day and all that lies ahead.
Like a beam of light through a cracked door, brightening a darkened room, may your joy come to illumine our sorrow and suffering.
Life-giving God, shine the light of your love this day. Amen.

James Pritchard, chaplain, The Queen's Foundation

Great Eco News from the Telford Circuit

"Encourage one another and build each other up, just as in fact you are doing. *1 Thessalonians 5:11*

We have so much good news to share… who can you encourage through your words and actions this week?

Daily Prayer Opportunity

Why not join in with 10 minutes of prayer hosted by Green Christian throughout COP 31 (9th to 21st November) using this link ?

Living gently on the earth

I hear that one member at **Horsehay** has made a commitment to bring the church flowers her garden own garden for as long as she possibly can, and then to gift them to a different congregation member each week. What a great idea!

Public Witness

Seven of our churches round the circuit are now signed up as Eco Churches: well done to **Albrighton, Bridgnorth, Broseley, Dawley, Newport, Oakengates** and **Wellington**! If you belong to one of these churches, please sign up to have access to the online resources and link to your church here.

If your church is not yet signed up, click on the link anyway… you can register as an individual to find out more while you are thinking about it!

Encouragement

Congratulations to **Dawley Christian Centre** who have achieved the Silver Eco Church. This is great news for all of us as it helps us on our journey to becoming an Eco Circuit and it's a great reflection of all the work which has been going on at Dawley over the last few years.

Here are just a few of the many justice-related dates in **November**

Could you include these in your prayers and worship?

How might these feed into your wider church life?

Thursday 19th World Toilet Day

4 in 10 people worldwide still lack access to safe toilets. World Toilet Day 2026 is about sanitation and gender equality. The campaign – 'Safe toilets. Equal futures.' shows how safe sanitation protects women and girls' health, safety, dignity and opportunity – enabling them to go to school, work and fully take part in society.

Don't be afraid! This year's Christmas resources are here already

As we plan our journey through Advent, let's get ready to share with our communities the angel's words: “Don’t be afraid”. This year's Advent and Christmas resources from The Methodist Church help us recognise the presence of God in the midst of frightening times. Yes, the world is a scary place. Yes, life is hard. We are not alone. Sign up for one of the Christmas webinars here – and get a sneak peek of the resources at methodist.org.uk/christmasresources.

A Prayer Meeting is held at Horsehay Methodist Church on the first Thursday of each month

For the Autumn/Winter months, the meetings will start at the earlier time of 2.30pm

I wanted to share a quick update regarding our safeguarding contacts within the Connexional Team. As some of you may already be aware, Sue Holder has now retired after 12 years in her role, and Neil Hutchinson has taken over from her.

Neil will be working 21 hours, generally Monday to Wednesday. Steph Bradley remains our main Regional Officer for Safeguarding, working 33 hours across the week. However, both can be contacted out of office hours for any urgent safeguarding matters.

Please update your records with their contact details below:

Safeguarding Training – Now Available Online

The Safeguarding Foundation Course is now available online via MCBX, making it easier than ever for church members to complete their safeguarding training.

This flexible option is ideal for those who find it difficult to attend face-to-face sessions, as the course can be completed at your own pace. MCBX (mcb.theologyx.com) is the Methodist Church's online learning platform, providing access to safeguarding training, supporting materials, and a downloadable certificate on completion.

This online course complements, rather than replaces, face-to-face and participatory training, which continue to be an important part of safeguarding learning.

If you need to complete the Safeguarding Foundation Course, please speak to your Church Safeguarding Officer for further guidance.
