## Opportunity to Serve the Telford Circuit as a Circuit Steward

We are inviting expressions of interest from members of the churches in the Circuit to serve as a Circuit Steward from 1 September 2026. Jo Kudlacik reaches the end of her term of office at that time and has indicated her desire to retire from the work.

Please read the which Job Description for a Circuit Steward which you will find in the following page. Recognise that in being appointed you would become part of a team. You would be working alongside others who are experienced Circuit Stewards and so you do not need to come with vast expertise or great experience for the role. You will be joining a supportive and encouraging team who will enable you to find your way into the role.

A Circuit Steward serves for a maximum of six years.

To express an interest in offering to serve the Circuit in this way, or wish to talk about the opportunity, please contact me through the methods indicated at the foot of this message.

Please pray about this and listen out for the call of God inviting you to serve in this way. Sometime God calls us through an email in our inbox!

With best wishes and kindest regards,

## The Revd Dr Adrian Burdon

Superintendent Minister

# Job Description for a Circuit Steward

The circuit stewards are responsible, with the Superintendent and presbyters, deacons and probationers appointed to the Circuit, for the spiritual and material well-being of the Circuit, and for upholding and acting upon the decisions of the Circuit Meeting

## **What does a Circuit Steward do?**

Circuit Stewards work as a team and share collective responsibility for leadership. This means that they should exercise a general pastoral care for the ministers (presbyters and deacons) and their families. They should meet with as a Circuit Leadership Team and keep themselves informed of the activities of each local church. Circuit Stewards will be appointed to attend church councils' meetings of allocated churches in the circuit. They will be members of the Circuit Meeting and shall take a lead in the occasional process of invitation of ministers (presbyters and deacons)

A Circuit Steward will be helped to become aware of District and Connexional policies affecting the circuit and its churches. This will enable them to play their part in developing a vision and plans for mission within the circuit, ensuring appropriate consultation.

## **What kind of person becomes a Circuit Steward?**

A Circuit Steward is a member of a local church who senses a calling and has a commitment to serve the wider Circuit. They will be willing to be supportive and affirming of others. A Circuit Stewards will need to have personal credibility, be confident, committed, and willing to work in a voluntary capacity. They will be willing to work in a team and bring a contribution to the collective work. A Circuit Steward needs to be confident in engaging with the needs of the Circuit, being an agent of change where necessary. They do not need to have all the answers, or to be an expert, but they do need to be willing to learn and develop and to have a sense of when and where to ask for further help.

## **What Support will I be given in becoming a Circuit Steward?**

The Methodist Church is committed to supporting all those who give their time in important roles within our churches and circuits. The Connexional Learning Team offers initial training and continuous support for those who serve as Circuit Stewards. A Circuit Stewards' Handbook has been produced which outlines the various tasks and skills required in the role.

You can read more about being a Circuit Steward on the Methodist Church Website at

<https://www.methodist.org.uk/for-churches/equipping-circuits/offices-and-roles/circuit-stewards/>

## **How do I indicate my interest in becoming a Circuit Steward?**

We are thrilled that you are asking that question and invite you to make contact with the Superintendent Minister at [adrian.burdon@btinternet.com](mailto:adrian.burdon@btinternet.com) or on 07485 035673. There is a requirement for us to follow our Connexional safer recruitment policies and so we shall need some information from you and you will need to have an up-to-date DBS disclosure. Once you have expressed your interest, your name will be taken to the Circuit Meeting for appointment. We are looking for a Circuit Steward to join the Circuit Leadership Tea, from 1 September 2026. If appointed ahead of that time, the chosen person can have a transition period, running alongside the outgoing Circuit Steward.

**West Midland District Pilgrimage  
Easter Week 5<sup>th</sup> -10<sup>th</sup> April 2026**

Five days walking in the beautiful Golden Valley  
staying in Methodist and Anglican churches.

Suggested donation to kitty: £140pp

For further information and to book email

Roger Dunlop: [roger@telfordmeth.org.uk](mailto:roger@telfordmeth.org.uk)

People linked to the West Midlands District are invited to join a "pilgrim community" of up to 12 people this Easter week on a route in the beautiful Golden Valley in Herefordshire, gathering in Hereford on the evening of Easter Sunday and finishing in Hereford the following Friday. Hereford is accessible by train. During this six-day experience, we will walk, pray and eat together and share sleeping space in a number of Methodist and Anglican Churches. Luggage (including your airbed / camp-bed and bedding) will be transferred each day. Mileage will be around 7 to 11 miles, taken at a gentle pace on rural routes that may include stiles.

We share cooking within the group.

This is now a "tried and tested" formula which has been greatly appreciated by previous pilgrims. Being willing to be part of a short-term community is far more important than being super-fit, providing you can manage a modest amount of walking over a number of consecutive days, followed by nights on a church floor! The pilgrimage will be led by a small team of previous pilgrims.

If means allow, we suggest a contribution of £140 to the kitty to cover food, accommodation and luggage transfer. Unfortunately, the living arrangements mean we cannot include children and young people, though they will be welcome to join us as accompanied day walkers (details later).

Numbers are strictly limited so if you are interested in joining the group this year, please don't delay - contact Roger Dunlop: [roger@telfordmeth.org.uk](mailto:roger@telfordmeth.org.uk)

# Eco News from the Telford Circuit

'Look at the birds of the air; they do not sow or reap or store away in barns, and yet your heavenly Father feeds them.'  
*Matthew 6:26*

## A short reflection

It's easy to say 'Don't worry about money' but it is important to be clear about how much we have available, what we *need* to spend and what we'd *like* to spend... not the same thing! Having considered last week what is really important to us; what are the non-negotiables? And if we had to compromise on something, what would it be?

How can we 'reduce, reuse and recycle' this Christmas? Can we reduce to relieve ourselves and one another from financial stress? Money Saving Expert Martin Lewis says:

*'Done right, gifts can create real warmth, but it is time to realise that, done wrong. It can hurt more than it helps. Perhaps the real gift is to release someone from the obligation of buying you a present?'*

## Eco tips

- If an Advent calendar is essential, can you buy or make a reusable fabric one and fill it with fair-trade chocolate or homemade treats
- Try to only send cards if you are writing a personal message inside.
- Avoid cards with foil or glitter which can't be recycled. Choose instead ones from recycled paper or from sustainably managed forests.
- Ask people what they would really like for Christmas or choose gifts they will use (like food and drink). Homemade gifts mean a lot but avoid cheap disposable gifts, particularly ones made of plastic. Second hand gifts are the lower carbon option and will be appreciated if they are well chosen and you explain why you have chosen them!

## Eco myth-busting

### ***'We're not the worst offenders'***

It is tempting to point at others we feel should take the lead in cleaning up but we have all fallen short of God's glory and we are all responsible for what we consume, wherever it has been manufactured. We are all connected in God's world and it is never 'someone else's problem.'

As we enter the season of Advent, Lord,  
help us to focus our minds and hearts on what is really important.  
Show us ways to connect and let people know they are loved  
without the need for expensive but meaningless gestures. Amen

## Pray with us today....

Holy and unfathomable God, Blessed Trinity, by your grace you have called your people to be a holy nation, a royal priesthood. Draw us more deeply into the Paschal mystery of the death and resurrection of Jesus, our Great High Priest, that our intercessory prayers for the world and all its people may be obedient to your divine will.

May the worship, fellowship and service of the Church faithfully proclaim the story of your redemptive purposes from the beginning of creation. Through our lives and by our prayers may your kingdom come, and all things be gathered into Christ. Amen.

If anyone has any spare balls of wool they don't need, can you let Sharon (01952 505108) in the Circuit Office know please?

At Dawley we are making knitted and crocheted blankets for the dementia patients at the Princess Royal Hospital.

The colourful blankets help patients, particularly those with dementia, to find their way back to bed more easily – and also see the edge of the bed more clearly when getting in and out. They also provide a more homely feel to the wards. Thank you.

**This Advent and Christmas season, the Methodist Church invites you to join 'Gifted' with resources to support your worship, welcome, and witness – including service outlines, small group materials, outreach ideas, posters, postcards, digital assets and more.**  
***Gifted* is a message of good news to a weary world...**

Together, all districts, circuits, local churches and fellowships of the Methodist Church are invited to remind people of their inherent worth and beauty – not because of what they've done, or what they can give – but because of who they are.

***Gifted*:**

- is for everyone in our churches and beyond: both believers rejoicing at God's gift of Jesus, and those who might find the season more wearying than wonderful.
- reaches out to people longing for transformation but feeling stuck. For those searching for something more, something real – but unsure where to look.

***Gifted* is the Methodist Church's open invitation, speaking the good news to people that they matter. That they are Beloved. Created with infinite care. A gift to the world, just as they are.**

## **Safeguarding Reminder: Please Report Concerns to Your Church Safeguarding Officer**

Safeguarding is everyone's responsibility, and clear communication is key to keeping the whole community in the Telford Methodist Circuit safe and supported.

If you ever have a safeguarding concern, no matter how small or uncertain you may feel about its seriousness, please notify your designated Church Safeguarding Officer (CSO) as soon as possible. If your church does not have a CSO appointed, you can contact the Circuit Safeguarding Officer, Lauren Baxendale or our Regional Officer for Safeguarding, Stephanie Bradley, for advice and support.

Church Safeguarding Officers provide guidance, support, and ensure the right actions are taken in line with the Circuit safeguarding policy.

By reporting concerns promptly to your CSO, you help keep everyone in our community safe and ensure that any issues are properly monitored, addressed and escalated as needed.

Thank you for your vigilance and care. Together, we can maintain safe, welcoming places for all.

## **Creating Safer Space: Who Needs to Attend Safeguarding Training?**

By Lauren Baxendale, Circuit Safeguarding Officer

As Circuit Safeguarding Officer, I've recently had a number of questions about who needs to complete which level of safeguarding training. To help clarify things, I've put together a guide outlining which people in which roles are required to undertake either the Foundation Module or the Advanced (Leadership) Module of the Creating Safer Space training.

The aim is to support all churches in ensuring the right people access the right level of training – helping us to build safe, welcoming communities for all.

### **Foundation Module**

This is the essential safeguarding training for those who work directly with children, young people, or vulnerable adults in any capacity within the church.

Depending on your role – and if needed – you can then progress to complete the Advanced (Leadership) Module.

### **Required to attend:**

- Active presbyters and deacons
- Pre-ordination students and probationers
- Lay employees and volunteers with pastoral responsibility
- Pastoral visitors
- Anyone working with 0–18s in the name of the church
- Those involved in activities targeted at vulnerable adults (e.g. lunch clubs)
- Church and circuit stewards
- Local preachers and worship leaders (including those in training)
- Safeguarding representatives / committee members
- Choir/music/drama leaders where children or vulnerable adults are involved
- 'Covenant of Care' group members
- Students undertaking Mission Placements

Young leaders (aged 16–18)

### **Warmly invited (but not required):**

- Mission/evangelism enablers
- Leaders of other groups using church premises with 0–18s or vulnerable adults
- Other group leaders working with vulnerable adults
- Property stewards and keyholders
- Caretakers
- Church/circuit meeting secretaries
- Administrators (church, circuit, or district)

## Advanced (Leadership) Module

This module is for those in leadership or oversight roles, or those to whom others may go for advice, guidance, or decision-making in safeguarding matters. These individuals are expected to model good safeguarding practice and lead by example.

### Required to attend:

- District, Circuit and Church Safeguarding Officers
- Members of District Safeguarding or Policy Committees
- All presbyters and deacons in active preaching or pastoral ministry (including relevant supernumeraries)
- Local preachers (including those on trial)
- Worship leaders (including those in training)
- Lay or employed leaders working directly with children, youth, or vulnerable adults
- Mentors for the Youth Participation Scheme
- Members of Connexional Complaints Panels, Discipline, Pastoral, and Appeals Committees
- Trainers who deliver the Foundation Module
- Those in pioneering, fresh expressions, or evangelism roles

Members of the Circuit or District Safeguarding Committee

### Warmly invited (but not required):

- Supernumerary ministers not engaged in pastoral roles

Others in leadership or oversight roles who would benefit from deeper safeguarding understanding

## Safeguarding Training Renewal – Every Four Years

All safeguarding training must be refreshed every four years — but only at the level appropriate to your role. If you have completed the Advanced (Leadership) Module, you only need to repeat the Advanced Module every four years — you do not need to redo the Foundation Module. If your role only requires the Foundation Module, then that is the course you repeat every four years. This ensures everyone stays up to date with safeguarding best practices relevant to their responsibilities. .

### Further Information

These training requirements and role lists were approved by the 2016 Methodist Conference (updated by the 2017 January Methodist Council) and remain the current basis for safeguarding expectations:

If you're unsure which module you or someone in your church needs to complete, please feel free to get in touch. I'm always happy to advise.

Thank you for your continued commitment to safeguarding – it truly makes a difference.

With thanks,

Lauren
