## Being prepared.

It's hard to believe we are already approaching the 3rd Sunday of Advent. A time of waiting and preparation for both the celebration of Jesus's birth and the return of Christ at the second coming.

I'm reasonably patient, I know everything is in God's time, but am I prepared? I have all my presents, bought and wrapped, most of the cards are written, the trees up, the food is ordered, but that's not what Christmas is about is it?

Advent is a season marked by themes of **hope, love, joy, and peace**, which are symbolized by the lighting of candles on our Advent wreath. Each week, a candle is lit to reflect on these virtues, helping believers centre their hearts and minds on Christ, who is the true reason for the season.

I recently watched a short video, where someone was talking about being prepared. Not just being prepared for the usual day to day things, like holidays and Christmas, but being prepared to talk about Jesus.

It made me think. At Dawley we once had a family come with two young children. We hadn't had children in our church for years and so we had nothing prepared for them. We quickly found some pens and paper so they had something to keep them busy, but we weren't prepared. The only thing we could do was promise the parents, that if they came back the following week, we would have something for them to do. The following week they went to another church and we were disappointed, as it was a lost opportunity. If only we had been prepared!

We did learn by it though and made sure we had something prepared, just in case children came to visit, and I can't tell you how thrilled I was, when the family came back to Dawley, to give us another go, and they have been coming ever since!

The chap on the video, was saying we have to ALWAYS be prepared. He explained that he always carries around with him a pair of socks, good quality socks that won't fall apart, a toothbrush and toothpaste, a small wooden comfort cross and a book about Jesus. When he sees someone homeless he goes up to them and says, hello, may I give you a pair of socks? They always say yes, thank you. He will then offer them a toothbrush and toothpaste and again, they say thank you and take them from him. He then offers them the small wooden cross, and says can I offer you this cross of Jesus, so that if ever you get lonely or scared you can pray to Jesus and know he is always with you... and they take the cross from him and say thank you. And he also gives them a little book about Jesus and an invite to come to his church.

Isn't that a lovely simple idea? I'm going to get myself prepared and give it a go!

I think it's difficult to talk about how much I love God to people who don't know Him, and I'm always looking for an idea that will break the ice. If you have an idea, or have already tried something and it worked, please share, as I don't suppose for a minute that I'm the only person in the Circuit who wants to share the good news, but doesn't know how to get started!

God bless.

Sharon

## Good news from Hadley & Leegomery

On 30th November Rev Roger Dunlop led the afternoon service where Mrs Jennifer Macree was confirmed.

Also Vic and Carole Withy's membership were transferred from Upminster and Janine Macree's membership was transferred from South Africa.

We welcome our new brother and sisters to the Telford Methodist Circuit.

**You are a gift. Made with love.**

Hello everyone,

As December is upon us, there are only two weeks left to book your spaces at Amplify.

Spaces are available for children and young people aged 8-18\* and for leaders until the end of Monday 22<sup>nd</sup> December. Leaders covers both those who will be attending with their group, as well as those who want to come and help at the weekend (previously known as stewards). There are a range of roles available to suit different gifts and skills.

Amplify will take at Whitemoor Lakes for the weekend of 6-8th March. It will be a weekend packed with activities to help young people from across our District to grow in relationship with one another and with God. Activities will include outdoor activities, crafts, games, discussions, music and more.

Tickets are available here: <https://www.tickettailor.com/events/wmmethodists/1877170> at the cost of £55 for young people and £10 for leaders.

You can see our FAQs, briefing video, promotional materials and leaders' role descriptions here: [Amplify - Shared Info](#)

- Young people who have turned 18 since September 2025 and who are at school year 13 are able to attend as young people. Those who are now finished at school and will be turning 19 during this academic year are welcome to come to Amplify as leaders.

If you would like to have a further conversation about bringing a group or coming to help at Amplify, please get in touch with Charlotte who is more than happy to chat with you. [Charlotte.scrivens@wmmethodists.org.uk](mailto:Charlotte.scrivens@wmmethodists.org.uk)

## Eco News from the Telford Circuit

Do not store up for yourselves treasures on earth, where moths and vermin destroy, and where thieves break in and steal. But store up for yourselves treasures in heaven... for where your treasure is, there your heart will be also. *Matt 6: 19-21*

Books, blogs and TV programmes all tell us the benefits of decluttering... but there is a spiritual principle behind it too. We all have attachments, but when things get too important to us, our relationship with God suffers. As we declutter before Christmas, let's think about recycling or donating the items we no longer need (there are various Christmas fairs and tabletop sales taking place around the circuit!)

### **Eco tips for Christmas Decorations**

Trees can be rented and then returned and replanted. Failing that, buy a potted spruce with roots which you can plan out and reuse next year. If this is not possible, a Grown in Britain or FSC-certified tree will ensure it is from a well-managed forest. Councils have collections to recycle trees and turn them into chipping. Avoid buying a plastic tree, but if you already have one, use it for as long as possible!

Tinsel and baubles are not recyclable – use the ones you have, but avoid buying more. You can make your own decorations from recyclable materials: dried orange slices, sticks of cinnamon, scrap paper, pine cones and holly. Buy or make one special tree decoration each year.

Switch to Led lights which use 80% less energy. Recycle broken or damaged Christmas lights. Turn off lights overnight and when you are not using them to avoid light pollution and unnecessary energy costs.

Use up left-over gift wrap from last year, remembering that plastic film, foil and glitter are not recyclable. Recycled and compostable wrapping paper or brown paper (decorated yourself) are best and use string or paper tape instead of plastic tape. Why not experiment with wrapping gifts in fabric with ribbons instead? Gift tags can be made from last year's cards or create your own unique artwork!

Jesus, love of God wrapped in human form,  
born in a stable and placed in a manger;  
help us to see beauty in simplicity this Christmas. Amen

## Pray with us today....

We thank you, our Father and Mother, for teaching us the value of hope in the midst of the storms that accompany our lives. We thank you for being able to share with the poorest people the hunger and thirst for love that gives meaning to life. From our humble condition as your children, we pray that the wars will end. We beg you to perform one of your miracles of love and wisdom so that armies may be transformed into sowers of peace, justice and fraternity for their countries and for our world.

Thank you for allowing us to be resurrected everyday thanks to the water of new life of the gospel. Amen.

Reaching out together to share God's  
amazing faith, hope and love!

A Prayer Meeting is held at  
Horsehay Methodist Church on the  
first Thursday of each month

**For the Autumn/Winter months, the  
meetings will start at the earlier  
time of 2.30pm**

People linked to the West Midlands District are invited to join a "pilgrim community" of up to 12 people this Easter week on a route in the beautiful Golden Valley in Herefordshire, gathering in Hereford on the evening of Easter Sunday and finishing in Hereford the following Friday. Hereford is accessible by train. During this six-day experience, we will walk, pray and eat together and share sleeping space in a number of Methodist and Anglican Churches. Luggage (including your airbed / camp-bed and bedding) will be transferred each day. Mileage will be around 7 to 11 miles, taken at a gentle pace on rural routes that may include stiles.

We share cooking within the group.

This is now a "tried and tested" formula which has been greatly appreciated by previous pilgrims. Being willing to be part of a short-term community is far more important than being super-fit, providing you can manage a modest amount of walking over a number of consecutive days, followed by nights on a church floor! The pilgrimage will be led by a small team of previous pilgrims.

If means allow, we suggest a contribution of £140 to the kitty to cover food, accommodation and luggage transfer. Unfortunately, the living arrangements mean we cannot include children and young people, though they will be welcome to join us as accompanied day walkers (details later).

Numbers are strictly limited so if you are interested in joining the group this year, please don't delay - contact Roger Dunlop: [roger@telfordmeth.org.uk](mailto:roger@telfordmeth.org.uk)

## Opportunity to Serve the Telford Circuit as a Circuit Steward

We are inviting expressions of interest from members of the churches in the Circuit to serve as a Circuit Steward from 1 September 2026. Jo Kudlacik reaches the end of her term of office at that time and has indicated her desire to retire from the work.

Please read the which Job Description for a Circuit Steward which you will find in the following page. Recognise that in being appointed you would become part of a team. You would be working alongside others who are experienced Circuit Stewards and so you do not need to come with vast expertise or great experience for the role. You will be joining a supportive and encouraging team who will enable you to find your way into the role.

A Circuit Steward serves for a maximum of six years.

To express an interest in offering to serve the Circuit in this way, or wish to talk about the opportunity, please contact me through the methods indicated at the foot of this message.

Please pray about this and listen out for the call of God inviting you to serve in this way. Sometime God calls us through an email in our inbox!

With best wishes and kindest regards,

### **The Revd Dr Adrian Burdon**

Superintendent Minister

Circuit 3/18 | Registered Charity 1134372

I choose to work flexibly and send emails outside normal working hours. Please do not feel under any obligation to respond outside your normal working hours.

# Job Description for a Circuit Steward

The circuit stewards are responsible, with the Superintendent and presbyters, deacons and probationers appointed to the Circuit, for the spiritual and material well-being of the Circuit, and for upholding and acting upon the decisions of the Circuit Meeting

## What does a Circuit Steward do?

Circuit Stewards work as a team and share collective responsibility for leadership. This means that they should exercise a general pastoral care for the ministers (presbyters and deacons) and their families. They should meet with as a Circuit Leadership Team and keep themselves informed of the activities of each local church. Circuit Stewards will be appointed to attend church councils' meetings of allocated churches in the circuit. They will be members of the Circuit Meeting and shall take a lead in the occasional process of invitation of ministers (presbyters and deacons)

A Circuit Steward will be helped to become aware of District and Connexional policies affecting the circuit and its churches. This will enable them to play their part in developing a vision and plans for mission within the circuit, ensuring appropriate consultation.

## What kind of person becomes a Circuit Steward?

A Circuit Steward is a member of a local church who senses a calling and has a commitment to serve the wider Circuit. They will be willing to be supportive and affirming of others. A Circuit Stewards will need to have personal credibility, be confident, committed, and willing to work in a voluntary capacity. They will be willing to work in a team and bring a contribution to the collective work. A Circuit Steward needs to be confident in engaging with the needs of the Circuit, being an agent of change where necessary. They do not need to have all the answers, or to be an expert, but they do need to be willing to learn and develop and to have a sense of when and where to ask for further help.

## What Support will I be given in becoming a Circuit Steward?

The Methodist Church is committed to supporting all those who give their time in important roles within our churches and circuits. The Connexional Learning Team offers initial training and continuous support for those who serve as Circuit Stewards. A Circuit Stewards' Handbook has been produced which outlines the various tasks and skills required in the role.

You can read more about being a Circuit Steward on the Methodist Church Website at

<https://www.methodist.org.uk/for-churches/equipping-circuits/offices-and-roles/circuit-stewards/>

## How do I indicate my interest in becoming a Circuit Steward?

We are thrilled that you are asking that question and invite you to make contact with the Superintendent Minister at [adrian.burdon@btinternet.com](mailto:adrian.burdon@btinternet.com) or on 07485 035673. There is a requirement for us to follow our Connexional safer recruitment policies and so we shall need some information from you and you will need to have an up-to-date DBS disclosure. Once you have expressed your interest, your name will be taken to the Circuit Meeting for appointment. We are looking for a Circuit Steward to join the Circuit Leadership Tea, from 1 September 2026. If appointed ahead of that time, the chosen person can have a transition period, running alongside the outgoing Circuit Steward.

Don't sit at home feeling cold and hungry.

Come and join us at the **Dawley Christian Centre**.  
**Our Coffee Bar is open between 9-12:30pm from Monday - Thursday as a Warm Space.** (We are open Friday mornings as usual for cooked breakfasts.)

### Wool Wanted

If anyone has any spare balls of wool they don't need, can you let Sharon (01952 505108) in the Circuit Office know please?

At Dawley we are making knitted and crocheted blankets for the dementia patients at the Princess Royal Hospital.

The colourful blankets help patients, particularly those with dementia, to find their way back to bed more easily – and also see the edge of the bed more clearly when getting in and out. They also provide a more homely feel to the wards. Thank you.

## **Safeguarding Reminder: Please Report Concerns to Your Church Safeguarding Officer**

Safeguarding is everyone's responsibility, and clear communication is key to keeping the whole community in the Telford Methodist Circuit safe and supported.

If you ever have a safeguarding concern, no matter how small or uncertain you may feel about its seriousness, please notify your designated Church Safeguarding Officer (CSO) as soon as possible. If your church does not have a CSO appointed, you can contact the Circuit Safeguarding Officer, Lauren Baxendale or our Regional Officer for Safeguarding, Stephanie Bradley, for advice and support.

Church Safeguarding Officers provide guidance, support, and ensure the right actions are taken in line with the Circuit safeguarding policy.

By reporting concerns promptly to your CSO, you help keep everyone in our community safe and ensure that any issues are properly monitored, addressed and escalated as needed.

Thank you for your vigilance and care. Together, we can maintain safe, welcoming places for all.

## **Creating Safer Space: Who Needs to Attend Safeguarding Training?**

By Lauren Baxendale, Circuit Safeguarding Officer

As Circuit Safeguarding Officer, I've recently had a number of questions about who needs to complete which level of safeguarding training. To help clarify things, I've put together a guide outlining which people in which roles are required to undertake either the Foundation Module or the Advanced (Leadership) Module of the Creating Safer Space training.

The aim is to support all churches in ensuring the right people access the right level of training – helping us to build safe, welcoming communities for all.

### **Foundation Module**

This is the essential safeguarding training for those who work directly with children, young people, or vulnerable adults in any capacity within the church.

Depending on your role – and if needed – you can then progress to complete the Advanced (Leadership) Module.

### **Required to attend:**

- Active presbyters and deacons
- Pre-ordination students and probationers
- Lay employees and volunteers with pastoral responsibility
- Pastoral visitors
- Anyone working with 0–18s in the name of the church
- Those involved in activities targeted at vulnerable adults (e.g. lunch clubs)
- Church and circuit stewards
- Local preachers and worship leaders (including those in training)
- Safeguarding representatives / committee members
- Choir/music/drama leaders where children or vulnerable adults are involved
- 'Covenant of Care' group members
- Students undertaking Mission Placements

Young leaders (aged 16–18)

### **Warmly invited (but not required):**

- Mission/evangelism enablers
- Leaders of other groups using church premises with 0–18s or vulnerable adults
- Other group leaders working with vulnerable adults
- Property stewards and keyholders
- Caretakers
- Church/circuit meeting secretaries
- Administrators (church, circuit, or district)

## Advanced (Leadership) Module

This module is for those in leadership or oversight roles, or those to whom others may go for advice, guidance, or decision-making in safeguarding matters. These individuals are expected to model good safeguarding practice and lead by example.

### Required to attend:

- District, Circuit and Church Safeguarding Officers
- Members of District Safeguarding or Policy Committees
- All presbyters and deacons in active preaching or pastoral ministry (including relevant supernumeraries)
- Local preachers (including those on trial)
- Worship leaders (including those in training)
- Lay or employed leaders working directly with children, youth, or vulnerable adults
- Mentors for the Youth Participation Scheme
- Members of Connexional Complaints Panels, Discipline, Pastoral, and Appeals Committees
- Trainers who deliver the Foundation Module
- Those in pioneering, fresh expressions, or evangelism roles

Members of the Circuit or District Safeguarding Committee

### Warmly invited (but not required):

- Supernumerary ministers not engaged in pastoral roles

Others in leadership or oversight roles who would benefit from deeper safeguarding understanding

## Safeguarding Training Renewal – Every Four Years

All safeguarding training must be refreshed every four years — but only at the level appropriate to your role. If you have completed the Advanced (Leadership) Module, you only need to repeat the Advanced Module every four years — you do not need to redo the Foundation Module. If your role only requires the Foundation Module, then that is the course you repeat every four years. This ensures everyone stays up to date with safeguarding best practices relevant to their responsibilities. .

### Further Information

These training requirements and role lists were approved by the 2016 Methodist Conference (updated by the 2017 January Methodist Council) and remain the current basis for safeguarding expectations:

If you're unsure which module you or someone in your church needs to complete, please feel free to get in touch. I'm always happy to advise.

Thank you for your continued commitment to safeguarding – it truly makes a difference.

With thanks,

Lauren
