The International Migrants Day - 18th December 2025

Attached is a prayer which is a reduced version of one from the Roots website.

God of all:

we pray for places where neighbouring peoples and countries are at war,
asking that a just peace will overcome deep-seated fear and hatreds.
May we be faithful in prayer for the Middle East where neighbours
are driven by historic mistrust and deepening violence;
for decisions that improve lives across all the nations of the United Kingdom;
for dialogue leading to lasting peace between Russia and Ukraine;
for co-operation between nations on the biggest challenges facing us all in our world,
including climate change, asylum and migration.

We turn to you, O Lord.

Fill our hands with gifts to share.

All: Send us out to share your love.

God of all:

we pray for people who are suffering from sickness or distress of any kind;
for bereaved people and for all people fleeing war and conflict
and for all victims of bullying, racial hatred, violence and injustice.
May we have the imagination to see the pain in our world
and be prepared to respond to it with whatever resources we have.
We pray today for people who work at the frontline of caring:
medical staff; first responders; social workers, teachers, parents;
and people whose life ministry is about binding up the wounds that life inflicts;
and we place into your hands the people we know
who are in need of your healing today.

We turn to you, O Lord.

Fill our hands with gifts to share.

All: Send us out to share your love.

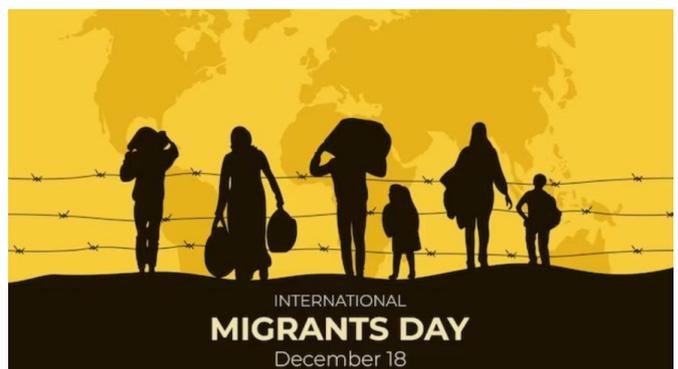

God of all:

we pray for your peace and grace to guide our actions
and for your love to shape us as we walk day by day with you.
May we be strong, patient and joyful in serving you
and faithful in loving our neighbour.

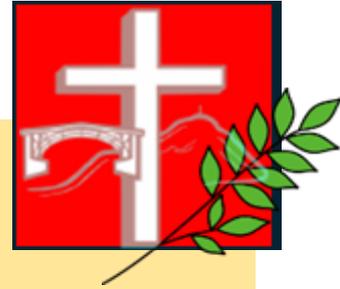

We turn to you, O Lord.

Fill our hands with gifts to share.

All: Send us out to share your love.

Eco News from the Telford Circuit

He gives food to every creature. His love endures forever. *Psalm 136:25*

Christmas is a time of celebration, a time of plenty and abundance... it can also be a time of excess, of wastage and of debt. How can we enjoy eating, drinking and celebrating sustainably this year?

Tips for entertaining at home or at church

- If guests will be bringing food, create a list to avoid duplication and waste
- Avoid disposably crockery and cutlery... borrow instead! And fully load the dishwasher to save water on washing
- Use material tablecloths and napkins to avoid waste.
- Buy plastic free/FSC crackers or if you have children to help you, make your own!
- Encourage people to take home leftovers and provide reusable containers.

Planning meals over Christmas

- Buy LOAF where possible. (Locally produced, Organic, Animal friendly and Fair Trade)
- Can you reduce your meat and dairy? Prioritise quality over quantity.
- Can you buy loose fruit and veg to cut down on single-use plastics?
- Check the dates on food in the fridge: what needs using up first?
- Make a plan for Christmas week and think about how leftover food can be used the next day. Keep it simple.
- If you still have leftovers, freeze, give away or donate to foodbanks. Anything that really can't be used, compost all you can!

May nothing be wasted as we enjoy God's gifts to us this Christmas.

When they had all had enough to eat, he said to his disciples, "Gather the pieces that are left over. Let nothing be wasted." *John 6:12*

Pray with us today....

Loving God, We give you thanks for those early Methodists who, “obsessed with salvation” and Spirit-filled, felt compelled to share with others the message of your transforming love and to demonstrate this good news in practical ways to the poor and needy. Lives were transformed as thousands believed.

Speak to us again, we pray; inspire us afresh, that members of congregations in the Methodist Church in Ireland may once again be compelled by the love of Christ to share the good news throughout the island of Ireland. Equip us by the power of the Spirit that we may not only be involved in practical and charitable action, but also be able to speak of the transforming love we have experienced. Amen.

A Prayer Meeting is held at
Horsehay Methodist Church on the
first Thursday of each month

**For the Autumn/Winter months, the
meetings will start at the earlier
time of 2.30pm**

People linked to the West Midlands District are invited to join a "pilgrim community" of up to 12 people this Easter week on a route in the beautiful Golden Valley in Herefordshire, gathering in Hereford on the evening of Easter Sunday and finishing in Hereford the following Friday. Hereford is accessible by train. During this six-day experience, we will walk, pray and eat together and share sleeping space in a number of Methodist and Anglican Churches. Luggage (including your airbed / camp-bed and bedding) will be transferred each day. Mileage will be around 7 to 11 miles, taken at a gentle pace on rural routes that may include stiles.

We share cooking within the group.

This is now a "tried and tested" formula which has been greatly appreciated by previous pilgrims. Being willing to be part of a short-term community is far more important than being super-fit, providing you can manage a modest amount of walking over a number of consecutive days, followed by nights on a church floor! The pilgrimage will be led by a small team of previous pilgrims.

If means allow, we suggest a contribution of £140 to the kitty to cover food, accommodation and luggage transfer. Unfortunately, the living arrangements mean we cannot include children and young people, though they will be welcome to join us as accompanied day walkers (details later).

Numbers are strictly limited so if you are interested in joining the group this year, please don't delay - contact Roger Dunlop: roger@telfordmeth.org.uk

Opportunity to Serve the Telford Circuit as a Circuit Steward

We are inviting expressions of interest from members of the churches in the Circuit to serve as a Circuit Steward from 1 September 2026. Jo Kudlacik reaches the end of her term of office at that time and has indicated her desire to retire from the work.

Please read the which Job Description for a Circuit Steward which you will find in the following page. Recognise that in being appointed you would become part of a team. You would be working alongside others who are experienced Circuit Stewards and so you do not need to come with vast expertise or great experience for the role. You will be joining a supportive and encouraging team who will enable you to find your way into the role.

A Circuit Steward serves for a maximum of six years.

To express an interest in offering to serve the Circuit in this way, or wish to talk about the opportunity, please contact me through the methods indicated at the foot of this message.

Please pray about this and listen out for the call of God inviting you to serve in this way. Sometime God calls us through an email in our inbox!

With best wishes and kindest regards,

The Revd Dr Adrian Burdon

Job Description for a Circuit Steward

The circuit stewards are responsible, with the Superintendent and presbyters, deacons and probationers appointed to the Circuit, for the spiritual and material well-being of the Circuit, and for upholding and acting upon the decisions of the Circuit Meeting

What does a Circuit Steward do?

Circuit Stewards work as a team and share collective responsibility for leadership. This means that they should exercise a general pastoral care for the ministers (presbyters and deacons) and their families. They should meet with as a Circuit Leadership Team and keep themselves informed of the activities of each local church. Circuit Stewards will be appointed to attend church councils' meetings of allocated churches in the circuit. They will be members of the Circuit Meeting and shall take a lead in the occasional process of invitation of ministers (presbyters and deacons)

A Circuit Steward will be helped to become aware of District and Connexional policies affecting the circuit and its churches. This will enable them to play their part in developing a vision and plans for mission within the circuit, ensuring appropriate consultation.

What kind of person becomes a Circuit Steward?

A Circuit Steward is a member of a local church who senses a calling and has a commitment to serve the wider Circuit. They will be willing to be supportive and affirming of others. A Circuit Stewards will need to have personal credibility, be confident, committed, and willing to work in a voluntary capacity. They will be willing to work in a team and bring a contribution to the collective work. A Circuit Steward needs to be confident in engaging with the needs of the Circuit, being an agent of change where necessary. They do not need to have all the answers, or to be an expert, but they do need to be willing to learn and develop and to have a sense of when and where to ask for further help.

What Support will I be given in becoming a Circuit Steward?

The Methodist Church is committed to supporting all those who give their time in important roles within our churches and circuits. The Connexional Learning Team offers initial training and continuous support for those who serve as Circuit Stewards. A Circuit Stewards' Handbook has been produced which outlines the various tasks and skills required in the role.

You can read more about being a Circuit Steward on the Methodist Church Website at

<https://www.methodist.org.uk/for-churches/equipping-circuits/offices-and-roles/circuit-stewards/>

How do I indicate my interest in becoming a Circuit Steward?

We are thrilled that you are asking that question and invite you to make contact with the Superintendent Minister at adrian.burdon@btinternet.com or on 07485 035673. There is a requirement for us to follow our Connexional safer recruitment policies and so we shall need some information from you and you will need to have an up-to-date DBS disclosure. Once you have expressed your interest, your name will be taken to the Circuit Meeting for appointment. We are looking for a Circuit Steward to join the Circuit Leadership Tea, from 1 September 2026. If appointed ahead of that time, the chosen person can have a transition period, running alongside the outgoing Circuit Steward.

Safeguarding Reminder: Please Report Concerns to Your Church Safeguarding Officer

Safeguarding is everyone's responsibility, and clear communication is key to keeping the whole community in the Telford Methodist Circuit safe and supported.

If you ever have a safeguarding concern, no matter how small or uncertain you may feel about its seriousness, please notify your designated Church Safeguarding Officer (CSO) as soon as possible. If your church does not have a CSO appointed, you can contact the Circuit Safeguarding Officer, Lauren Baxendale or our Regional Officer for Safeguarding, Stephanie Bradley, for advice and support.

Church Safeguarding Officers provide guidance, support, and ensure the right actions are taken in line with the Circuit safeguarding policy.

By reporting concerns promptly to your CSO, you help keep everyone in our community safe and ensure that any issues are properly monitored, addressed and escalated as needed.

Thank you for your vigilance and care. Together, we can maintain safe, welcoming places for all.

Safeguarding
Young people and vulnerable adults

Creating Safer Space: Who Needs to Attend Safeguarding Training?

By Lauren Baxendale, Circuit Safeguarding Officer

As Circuit Safeguarding Officer, I've recently had a number of questions about who needs to complete which level of safeguarding training. To help clarify things, I've put together a guide outlining which people in which roles are required to undertake either the Foundation Module or the Advanced (Leadership) Module of the Creating Safer Space training.

The aim is to support all churches in ensuring the right people access the right level of training – helping us to build safe, welcoming communities for all.

Foundation Module

This is the essential safeguarding training for those who work directly with children, young people, or vulnerable adults in any capacity within the church.

Depending on your role – and if needed – you can then progress to complete the Advanced (Leadership) Module.

Required to attend:

- Active presbyters and deacons
- Pre-ordination students and probationers
- Lay employees and volunteers with pastoral responsibility
- Pastoral visitors
- Anyone working with 0–18s in the name of the church
- Those involved in activities targeted at vulnerable adults (e.g. lunch clubs)
- Church and circuit stewards
- Local preachers and worship leaders (including those in training)
- Safeguarding representatives / committee members
- Choir/music/drama leaders where children or vulnerable adults are involved
- 'Covenant of Care' group members
- Students undertaking Mission Placements

Young leaders (aged 16–18)

Warmly invited (but not required):

- Mission/evangelism enablers
- Leaders of other groups using church premises with 0–18s or vulnerable adults
- Other group leaders working with vulnerable adults
- Property stewards and keyholders
- Caretakers
- Church/circuit meeting secretaries
- Administrators (church, circuit, or district)

Safeguarding
Young people and vulnerable adults

Advanced (Leadership) Module

This module is for those in leadership or oversight roles, or those to whom others may go for advice, guidance, or decision-making in safeguarding matters. These individuals are expected to model good safeguarding practice and lead by example.

Required to attend:

- District, Circuit and Church Safeguarding Officers
- Members of District Safeguarding or Policy Committees
- All presbyters and deacons in active preaching or pastoral ministry (including relevant supernumeraries)
- Local preachers (including those on trial)
- Worship leaders (including those in training)
- Lay or employed leaders working directly with children, youth, or vulnerable adults
- Mentors for the Youth Participation Scheme
- Members of Connexional Complaints Panels, Discipline, Pastoral, and Appeals Committees
- Trainers who deliver the Foundation Module
- Those in pioneering, fresh expressions, or evangelism roles

Members of the Circuit or District Safeguarding Committee

Warmly invited (but not required):

- Supernumerary ministers not engaged in pastoral roles

Others in leadership or oversight roles who would benefit from deeper safeguarding understanding

Safeguarding Training Renewal – Every Four Years

All safeguarding training must be refreshed every four years — but only at the level appropriate to your role. If you have completed the Advanced (Leadership) Module, you only need to repeat the Advanced Module every four years — you do not need to redo the Foundation Module. If your role only requires the Foundation Module, then that is the course you repeat every four years. This ensures everyone stays up to date with safeguarding best practices relevant to their responsibilities. .

Further Information

These training requirements and role lists were approved by the 2016 Methodist Conference (updated by the 2017 January Methodist Council) and remain the current basis for safeguarding expectations:

www.methodist.org.uk/downloads/conf-2016-34-Past-Cases-Review-Implementation.pdf

If you're unsure which module you or someone in your church needs to complete, please feel free to get in touch. I'm always happy to advise.

Thank you for your continued commitment to safeguarding – it truly makes a difference.

With thanks,

Lauren

Hello everyone,

As December is upon us, there are only two weeks left to book your spaces at Amplify.

Spaces are available for children and young people aged 8-18* and for leaders until the end of Monday 22nd December. Leaders covers both those who will be attending with their group, as well as those who want to come and help at the weekend (previously known as stewards). There are a range of roles available to suit different gifts and skills.

Amplify will take at Whitemoor Lakes for the weekend of 6-8th March. It will be a weekend packed with activities to help young people from across our District to grow in relationship with one another and with God. Activities will include outdoor activities, crafts, games, discussions, music and more.

Tickets are available here: <https://www.tickettailor.com/events/wmmethodists/1877170> at the cost of £55 for young people and £10 for leaders.

You can see our FAQs, briefing video, promotional materials and leaders' role descriptions here: [Amplify - Shared Info](#)

- Young people who have turned 18 since September 2025 and who are at school year 13 are able to attend as young people. Those who are now finished at school and will be turning 19 during this academic year are welcome to come to Amplify as leaders.

If you would like to have a further conversation about bringing a group or coming to help at Amplify, please get in touch with Charlotte who is more than happy to chat with you. Charlotte.scrivens@wmmethodists.org.uk
